

I'm like your dirty little joy

Fill in the gaps

Sick and twisted affair by My darkest days

There's no reflection when you look in the mirror	And you (6) get enough
You're out for blood and you can smell the fear	Just a little bad habit that you have (7) your friends
You need poison	I'm like your dirty (8) joy
Like it's the only thing that keeps you alive	And you never get enough
You (1) voices	Said you'd be along it
They just keep telling you you need me tonight	But you're in a sick and twisted affair
She hides until twilight	You don't want to be alone tonight
Then she (2) control	-A sick and twisted affair-
I'm like your dirty little joy	You don't want to be alone tonight
And you never get enough	-A sick and twisted affair-
Just a little bad habit that you have from your friends	-Take control-
I'm like your (3) little joy	I'm like your dirty little joy
And you never get enough	And you never get enough
Said you'd be along it	Just a little bad habit that you have from your friends
But you're in a sick and twisted affair	I'm like your dirty (9) joy
You don't want to be alone tonight	And you never get enough
-A sick and twisted affair-	Said you'd be (10) it
You don't (4) to be alone tonight	But you're in a sick and twisted affair
I keep you waiting swearing you're free falling	You don't want to be alone tonight
I'm in (5) dreams, I'm the creature they're calling	-A sick and twisted affair-
You go colder	You don't want to be alone tonight
I am the only thing that keeps you alive	-A sick and twisted affair-
Can't stay sober	You don't want to be alone tonight
One taste and it can take control of your life	-A sick and twisted affair-
She hides until twilight	You don't want to be alone tonight
Then she takes control
