

## Fill in the gaps

Stand Back!	You know your ladder from your snake
Stand Back!	You know the throttle from the brake
What are those dogs doing	You know your straight
sniffing at my feet	line from a curve
They're on to something, picking up	You've got a lot of nerve
Picking up (1) heat, this heat	But I know you
Give me steam	Everybody nosedive
And how you feel to make it real	Hold (6) breath, (7) to five
Real as anything you've seen	Backslap, boobytrap,
Get a life with (2) dreamer's dream	Cover it up in bubblewrap
You know your culture from your trash	Room shake, earthquake
You know your plastic from your cash	Find a way to stay awake
When I lose sight of the track	It's (8) to blow,
You know the way back	it's going to break
But I know you	This is more than I can take
You know your stripper from (3) paint	Oh yeah, I need steam
You know your sinner (4) your saint	Feel the steam all around me
Whenever heaven's doors are shut	Ah you're turning up the heat
You kick them open but	When I start to dream aloud
I know you	See you move your hands and feet
Give me steam	Won't you step into
And how you feel to make it real	this (9) of steam
Real as any place you've been	This steam
Get a life with the dreamer's dream	Help me yeah
Stand back!	Ready to steam out the log jam
Stand back!	Stir crazy from the
Can't you see I've lost	freezer to the boil
control I'm getting	Water's bubbling, it's
indiscreet	bbbubbling
You're moving in so close	bubbling, bubbling, bubbling
'til I'm picking up	like it's coming to a boil
Picking up this heat, (5) heat	Give me steam, lady
You know your green from your red	Give me steam around me now
You know the quick from the dead	Aah coming alive,
So much better than the rest	Aah coming alive
You think you've been blessed	Said give me some steam
But I know you
