Fill in the gaps

These boots are made for walking by Nancy Sinatra

You keep saying you got something for me	And that's just what they'll do
Something you call love but confess	One of these days these boots
You've been a'messin'	are gonna walk all over you
where you shouldn't 've (1) a'messin'	You keep playing (7)
And now someone else is getting all (2) best	you shouldn't be playing
Well, (3) boots are made for walking,	And you keep thinking
and that's just what they'll do	that you'll never get burnt
One of (4) days these boots	Well, I've just (8) me
are gonna walk all over you	a brand new box of matches, yeah
You (5) lying	And what he (9) you ain't had time to learn
when you oughta be truthing	These boots are made for walking,
And you keep losing	and that's just what they'll do
when you oughta not bet	One of these days these boots
You (6) saming	are gonna walk all over you
when you oughta be a'changin'	Are you ready, boots?
Now what's right is right	(10) walking
but you ain't been right yet
