

Fill in the gaps

Wonder by Natalie Merchant

Doctors have (1)_____ from distant cities
(2)_____ to see me
Stand over my bed
Disbelieving what they're seeing
They say I must be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
Newspapers ask intimate questions
Want confessions
They reach into my head to
Steal the glory of my story
They say I (3)_____ be one of the wonders
Of God's own creation
And as far as they see
They can offer no explanation
I believe, fate (4)_____ and
(5)_____ (6)_____ as she came to
my cradle
Know this child will be able
Laughed as my body she lifted
Know this child will be gifted
With love, with patience, and with faith

She'll make her way, she'll make her way
People see me
I'm a challenge to your balance
I'm over your heads
How I confound you and astound you
To know I must be one of the wonders
Of God's own creation
And as far as they see
They can (7)_____ no explanation
I believe, fate smiled and
Destiny laughed as she came to my cradle
Know this (8)_____ will be able
Laughed as she came to my mother
Know this child will not suffer
Laughed as my (9)_____ she lifted
Know this child will be gifted
With love, with patience and with faith
She'll make her way, she'll make her way
She'll make her way
