

Fill in the gaps

Everyday I fight for all my future (1)
A thousand little wars I have to choose between
I could spend a lifetime earning things that I don't need
That's like chasing rainbows and coming home empty
And if you strip me, strip it all away
If you strip me, what would you find?
If you strip me, (2) it all away
I'll be alright
Take what you want, (3) my pride
Build me up or cut me down to size
Shut me out but I'll just scream
I'm only one voice in a million
But you ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that
I don't need a microphone
To say what I've been thinking
My heart is like a loudspeaker
That's always on eleven
And if you strip me, strip it all away
If you strip me, what (4) you find?
If you strip me, strip it all away
I'm still the same
Take what you want, steal my pride
Build me up or cut me down to size
Shut me out but I'll (5) scream

I'm only one voice in a (6)_

But you ain't taking that from me
You ain't taking (7) from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that
Because when it all boils down at the end of the day
It's what you do and say that makes you who you are $% \left\{ 1,2,,n\right\}$
Makes you think about it, think about it, doesn't it?
(8) all it takes is one voice
Take what you want, steal my pride
Build me up or cut me down to size
Shut me out but I'll just scream
I'm only one voice in a million
But you ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that
Take what you want, steal my pride
Build me up or cut me down to size
Shut me out but I'll just (9)
I'm only one voice in a (10)
But you ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that from me
You ain't taking that
