

Fill in the gaps

Everyday I fight for all my future somethings	But you ain't taking (8) from me
A thousand little wars I (1) to choose	You ain't taking that from me
(2)	You ain't taking that from me
I could spend a lifetime earning things that I don't need	You ain't taking that from me
That's like chasing rainbows and coming home empty	You ain't taking that
And if you strip me, strip it all away	Because when it all boils down at the end of the day
If you strip me, what would you find?	It's what you do and say that makes you who you are
If you (3) me, strip it all away	Makes you think about it, (9) about it, doesn't it?
I'll be alright	
(4) what you want, steal my pride	Sometimes all it takes is one voice
Build me up or cut me down to size	Take what you want, steal my pride
(5) me out but I'll just scream	Build me up or cut me down to size
I'm only one voice in a million	Shut me out but I'll just scream
But you ain't taking that from me	I'm only one voice in a million
You ain't taking that from me	But you ain't taking that from me
You ain't taking that from me	You ain't taking (10) from me
You ain't taking that from me	You ain't taking that from me
You ain't taking that	You ain't taking that from me
I don't need a microphone	You ain't taking that
To say what I've been thinking	Take what you want, steal my pride
My heart is (6) a loudspeaker	Build me up or cut me down to size
That's always on eleven	Shut me out but I'll just scream
And if you strip me, strip it all away	I'm only one voice in a million
If you strip me, what would you find?	But you ain't taking that from me
If you strip me, strip it all away	You ain't taking that from me
I'm still the same	You ain't taking that from me
Take what you want, steal my pride	You ain't taking that from me
(7) me up or cut me down to size	You ain't taking that
Shut me out but I'll just scream	
I'm only one voice in a million
