Hey baby won't you look my way		I can hear the chit-chat	
I can be (1) new addiction		Take me to your love shack	
Hey baby what you got to say		Mama's always got a backtrack	
All you are giving me is fiction		When everybody talks back	
I'm a sorry sucker and this happens all the time		Never (7)	I'd live to see the day
I find out that everybody talks		When everybody's words got in the way	
Everybody talks		Hey sugar show me all your love	
Everybody talks		All you're giving me is friction	
It started with a whisper		Hey sugar what you got to say	
And (2) was when I kissed her		It started with a whisper	
And then she made my lips hurt		And that was when I kissed her	
I can hear the chit chat		And then she made my lips hurt	
Take me to your love shack		I can hear the chit-chat	
Mama's always got a backed truck		Take me to your love shack	
When everybody (3) back		Mama's always got a backtrack

You could be my new prescription		(10)	talks
Too much, get me an overdose		(bis)

Oh my my shit everybody talks		And that was when I kissed her	
Everybody talks		Everybody talks
