

Watch to the light It won't save you tonight All our lesson is Pictures lost in time (1)\_\_\_\_\_ enough, towers crumble to dust Looking back on the moments of our lives All your anger, all your hurt It doesn't matter in the end Those days go by and we all start again What you had and what you lost They're all memories in the wind Those days go by and we all start again Stars still burn bright Seasons change overnight As we find a way The times they come and go Look back in love, a new day rises above With no end it comes, to carry you (2)\_\_\_\_\_ home

All your anger, all your hurt
