Like A Rolling Stone by Bob Dylan

and the clowns

Fill in the gaps

Once upon a time you dressed so fine	When they all did tricks for you
Threw the bums a dime in your prime, didn't you?	You never understood (3) it ain't no good
People call, say, 'Beware doll, you're bound to fall'	You shouldn't let other people get your kicks for you
You thought they were all kiddin' you	You used to ride on the chrome horse (4) your
You used to laugh about	diplomat
Everybody that was hangin' out	Who carried on his shoulder a Siamese cat
Now you don't talk so loud	Ain't it hard when you discover that
Now you don't seem so proud	He really wasn't where it's at
About having to be scrounging your (1) meal.	After he took from you everything he could steal.
How does it feel	How does it feel
How does it feel	How (5) it feel
To be without a home	To be on your own
Like a complete unknown	With no direction home
Like a rolling stone?	Like a (6) unknown
Ah,you've (2) to the finest school all right, Miss	Like a rolling stone?
Lonely	Ah, princess on the (7) and all the pretty
But you know you only used to get juiced in it	people
Nobody's ever taught you how to live out on the street	They're all drinkin', thinkin' that they got it made
And now you're gonna have to get used to it	Exchanging all precious gifts
You say you never compromise	But you'd better (8) your diamond ring, you'd better
With the mystery tramp, but now you realize	pawn it babe
He's not selling any alibis	You used to be so amused
As you stare into the vacuum of his eyes	At Napoleon in rags and the language that he used
And say do you want to make a deal?	Go to him now, he calls you, you can't refuse
How does it feel	When you got nothin', you got nothin' to lose
How does it feel	You're invisible now, you got no secrets to conceal.
To be on your own	How does it feel
With no direction home	Ah, how does it feel
A complete unknown	To be on your own
Like a rolling stone?	With no direction home
Ah, you never turned around to see the frowns on the jugglers	Like a complete unknown

Like a rolling stone?
