Stay please stay by Oh Mercy

Fill in the gaps

Darling don't mark my words	Stay please stay
I can't know how long, how fast	You couldn't go just like that
How deep, how clear this river flows	Couldn't we backtrack?
As I leave those crimson lips	Stay please stay
Those dalton eyes I hear	I can't stomach this
Stay (1) stay	How could you (8) and say goodbye
You couldn't go just like that	With a bag on your back
Couldn't we backtrack?	And not a (9) in your eye?
Stay please stay	Stay please stay
I can't stomach this	You couldn't go just like that
How could you (2) our loving up	Couldn't we backtrack?
For a fool's dream in an empty cup?	Stay please stay
Midnight moon shines	I can't stomach this
It's light for all to see	What can I do with a love
It (3) it (4) like tired (5)	(10) gathers dust in a busy room?
(6) (7) washed to shore	
Upon this beach it tears for me, oh no
