You're a troublemaker	My mind keeps saying run as fast as you can
You're a troublemaker	Troublemaker
You ain't nothing but a troublemaker girl	I say I'm done
You had me hooked again	But then you pull me back
From the minute you sat down	I swear you're giving me a heart attack
The way you (1) your lip	Troublemaker
Got my head spinning around	Maybe I'm insane
After a drink or two	Because I keep doing the same damn thing
I was (2) in your hands	Thinking one day we're going to change
I don't know if I have the strength to stand	But you know just how to work that back
Trouble troublemaker yeah	And make me forget my name
That's your middlename	What the hell you do I won't remember
I know you're no good but you're stuck in my brain	I'll be gone until November
And I want to know	And you'll show up again next summer
Why does it feel so good but (3) so bad?	(7) middle name was Prad
My mind keeps saying run as fast as you can	Fit you like a glove girl
I say I'm done	I'm sick of the drama, you're a troublemaker
But then you pull me back	But damn girl it's like I love the trouble
I swear you're giving me a heart attack	And I can't even explain why
Troublemaker	Why does it (8) so good but hurt s
It's like you're always there	My mind keeps saying run as fast as you can
In the corners of my mind	Troublemaker
I see a silhouette every time I close my eyes	I say I'm done
There must be poison in those finger tips of yours	But then you pull me back
Because I keep coming back again for more	I swear you're giving me a heart attack
Trouble troublemaker yeah	Troublemaker
That's (4) middlename	Why does it feel so good but hurt so bad?
I know you're no good but you're stuck in my brain	My mind keeps saying run as fast as you can
And I want to know	Troublemaker
Why does it feel so (5) but hurt so bad?	I say I'm done
My mind keeps saying run as fast as you can	But then you pull me back
I say I'm done	I (9) you're giving me a heart at
But then you pull me back	Troublemaker
I swear you're (6) me a heart attack	
Troublemaker	
Why does it feel so good but hurt so bad?
