Something I need by One Republic

I had a dream the (1)_____ night

About how we only get one life

(2)_____ me up right after two

I stayed awake and stared at you

So I wouldn't lose my mind

And I had the week that came from hell

And yes, I know that you could tell

But you're like the net under the ledge

When I go flying off the edge

You go flying off as well

And if you only die once

I want to die with...

You got something I need

In this world full of people

There's one killing me

And if we only die once

I (3)_____ to die with you

You got something I need

In this world full of people

There's one killing me

And if we only die once

I want to die with you

Last night I think I drank too much

Call it our temporary crunch

With broken words I've tried to say it

Honey don't you be afraid

If we got nothing, we got us

And if you only die once

I want to die with...

You got something I need

In this world full of people

There's one killing me

And if we (4)_____ die once

I want to die with you

You got something I need

In this (5)_____ full of people

There's one killing me

And if we only die once

I want to die with you

I (6)_____ that we're not the same

But I'm so damn glad

That we made it to this time, this time

You got something I need

Yeah, in this world full of people

There's one killing me

And if we only die once

I want to die with you

You got something I need

In this world full of people

There's one killing me

And if we only die once

I (7)_____ to die with you

You got something I need

In this world full of people

There's one (8)_____ me

And if we only die once

I want to die (9)_____ you

If we only die once

I want to die with...

If we only live once

I want to live (10)_____ you
