

Fill in the gaps

This time

I need another story		
Something to get off my chest		
My life gets kind of boring		
Need something that I can confess		
Till all my sleeves are stained red		
From all the truth that I've said		
Come by it honestly I swear		
Thought you saw me wink, no		
I've been on the brink, so		
Tell me what you want to hear		
(1) that will light those ears		
I'm sick of all the insincere		
So I'm going to give all my secrets away		
This time		
Don't (2) another perfect lie		
Don't care if critics ever jump in line		
I'm going to give all my secrets away		
My God, amazing how we got this far		
It's like we're chasing all those stars		
Who's driving shiny big black cars?		
And everyday I see the news		
All the problems that we (3) solve		
And when a situation rises		
Just write it into an album		
Singing straight to cold		
I don't really like my flow, no, so		
Tell me what you want to hear		
Something that will light those ears		
I'm sick of all the insincere		
So I'm going to give all my secrets away		

Don't need (4)	perfect lie	
Don't care if critics (5)	jump in line	
I'm going to give all my secrets away		
Got no reason		
Got no shame		
Got no family		
I can blame		
Just don't let me disappear		
I'm going to tell you everything		
Tell me what you want to hear		
Something that will light those ea	ars	
I'm sick of all the insincere		
So I'm (6) to give a	all my secrets away	
This time		
Don't need another perfect lie		
Don't care if critics ever jump in	line	
I'm going to give all my secrets a	away	
Tell me what you want to hear		
Something that (7) lig	ght those ears	
I'm sick of all the insincere		
So I'm going to give all my secre	ets away	
(8) time		
Don't need another perfect lie		
Don't (9) if critics eve	r jump in line	
I'm going to give all my (10)	away	
All my secrets away
