

Fill in the gaps

It's (1) a long time coming	
Since I've seen your face	
I would never went (2)	
Trying to replace everything that	
I've had till my feet went numb	
Praying like a fool that's been on the run	
Heart's still beating but it's not working	
It's like a million dollar phone	
That you just can't ring	
I reach out trying to love but I feel nothing	
Yeah, my heart is numb	
But with you I feel again	
Yeah with you I can feel again, yeah	
I'm feeling better since you know me	
I was a lonely soul but that's the old me	
A long time coming since	
I've seen your face	
I would never went back	
Trying to replace (3)	that
I broke till my (4) went numb	
Praying like a fool that just shot a gun	
Heart's still beating but it's not working	
It's like a hundred thousand voices that just can't sing	
I reach out trying to love but I feel nothing	

on my heart is numb
But with you I feel again
And with you I can feel again
But with you
