

Fill in the gaps

Woke up in London yesterday
Found myself in the city (1) Piccadilly
Don't really know how I got here
I got some pictures on my phone
New names and numbers (2) I don't know
Address to places like Abbey Road
Day turns to night,
night turns to whatever we want
We're young enough to say:
Oh this has gotta be the good life
This has gotta be the good life
This could really be a good life, good life
Say oh, got this feeling that you can't fight
Like this city is on fire tonight
This could really be a good life a good, good life
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to China to Colorado
Sometimes there's airplanes I can' t jump out
Sometimes there's bullshit that don't work now
We are good of stories but please tell me
What there is to complain about
When you're happy like a fool
Let it take you over
When everything is out
You gotta take it in
Oh this has gotta be the good life
This has gotta be the good life

This could really be a good life, good life
