

## Fill in the gaps

Woke up in London yesterday	Say oh, got this feeling that you can't fight
(1) myself in the city near Piccadilly	Like this (6) is on fire tonight
Don't really know how I got here	This could really be a good life, a good, good life
I got some pictures on my phone	A good good life
New names and numbers that I don't know	Hopelessly
Address to places like Abbey Road	I feel like there might be something that I'll miss
Day turns to night,	Hopelessly
night turns to whatever we want	I (7) like the window closes so quick
We're young enough to say:	Hopelessly
Oh this has gotta be the good life	I'm taking a mental picture of you now
This has gotta be the good life	Because hopelessly
This could really be a good life, good life	The hope is we have so much to feel good about
Say oh, got this feeling that you can't fight	Oh this has gotta be the good life
Like this city is on fire tonight	This has gotta be the good life
This could really be a (2) life a good, good life	This could really be a good life, good life
To my friends in New York, I say hello	Say oh, got this feeling that you can't fight
My friends in L.A. they don't know	(8) this city is on fire tonight
Where I've been for the past few years or so	This could really be a good life, a good, good life
Paris to China to Colorado	a good, good life
Sometimes there's airplanes I can' t jump out	To my friends in New York, I say hello
Sometimes there's (3) that don't work	My friends in L.A. they don't know
now	Where I've (9) for the past few years or so
We are good of stories but please tell me	Paris to China to Col-or-ado
What there is to complain about	Sometimes there's airplanes I can' t jump out
When you're happy like a fool	Sometimes there's (10) that don't wor
Let it take you over	now
(4) everything is out	We are god of stories but please tell me
You gotta take it in	What there is to complain about
Oh this has gotta be the good life	
This has gotta be the good life	
This could (5) be a good life, good life
