

## Fill in the gaps

I've been (1) real good	and figure out the rest when I etch out a plan
Came a long way from misunderstood	Tonight is the night, is the night that we're losing control
Far (2) from the days where I wouldn't wanna go	Tonight is the night, is the night we set it off
home	Everybody go
Because I was afraid of the truth	Everybody go
See I was scared to admit	I'm feeling better than I ever thought
that failing was in the back of my head	it's possible but now I know
(3) a point when lying no longer works	I'm feeling better than I (8) did
so you have to stand up for how you want to live	Impossible don't exist
Tonight is the night, is the night that we're losing control	No, impossible don't exist
Tonight is the (4) is the night we set it off	Everybody go
Everybody go	Everybody go
Everybody go	Everybody go
And I don't know better	Tonight is the night, is the night that we're (9)
but as far as I came it felt (5) forever	control
Seconds (6) to hours days turn to months	Tonight is the night is the night we set it off
Another year pass by	Tonight is the night is the night that we're losing control
But don't feel like much	Tonight is the night is the (10) we set it off
So if I got one chance	
motherf**ker I'm gonna make you all dance	
I'm gonna have as (7) fun as I can

- 2. away
- 3. Comes
