

Fill in the gaps

(1)	turned to me	(8) set my soul fre	е
Without a tear in his eyes		Belong to me at last	
It's nothing new for him to see		Through all those complex years	
I didn't ask him why		I thought I was alone	
I will remember		I didn't care to look around	
The love our souls had sworn to make		And make this world my own	
Now I watch the falling rain		And when she died, I should've cried	
All my mind can see now is your		And spared myself some pain	
Well I (2) you (3) my youth		Left me incomplete	
And gave it a (4) way		All alone as the (9) still remain	
Like the birth of a new-found joy		The way we were	
This love would end in rage		The chance to save my soul	
And (5) she died I couldn't cry		And my concern is now in vain	
The pride within my soul		(10) the word	
You (6) me incomplete		I will unlock my door	
All alone as the memories now unfold		And pass the cemetery gates	
Believe the word		The way we were	
I will unlock my door		The chance to save my soul	
And pass the cemetery gates		And my concern is now in vain	
Sometimes when I'm alone		Believe the word	
I (7)	aloud	I will unlock my door	
If you're watching over me		And pass the cemetery gates	
Some place far a	a-bound		
I must reverse m	ny life		
I can't live in the	past
