

Fill in the gaps

Living in a city of (1)	people	Daydreaming all the time		
Who all know the limits		Daydreaming		
And won't go too far outside the lines		Daydreaming into the night		
Because they're out of their minds		And I'm alright		
I want to get out and build my own ho	me	Is not that I won't remember where I'm from		
On a street where (2)	_	(6) don't want to be (7) no more		
Is not much (3)	from dreams I've had	It's not enough		
A dream is all I have		-We're only half alive-		
Daydreaming		I'm going to go		
Daydreaming all the time		-We're (8) half alive-		
Daydreaming		Where the rest of the dreamers go		
Daydreaming into the night		-We're (9) half alive-		
Daydreaming		Where the dreamers go		
Daydreaming all the time		Daydreaming		
Daydreaming		Daydreaming all the time		
Daydreaming into the night		Daydreaming		
And I'm alright		Daydreaming into the night		
(4) past the hours		And I'm alright		
Like the shorter hand on the clock		Daydreaming		
Hanging on a wall of a schoolhouse		Daydreaming all the time		
Somewhere we wait for the bell		Daydreamer		
And we dream of (5)	else	We used to be half alive		
Daydreaming		Now I'm alright		
Daydreaming all the time		I'm alright		
Daydreaming		I'm alright		
Daydreaming into the night
