

Fill in the gaps

Do you remember how this first begun?
Teeth were white and our skin was young
Eyes as (1) as the Spanish sun
We had nothing we (2) hide
Now my dear we are two golden leaves
Clinging desperately to winter trees
Held up here like a pair of thieves
While the sirens blare outside
What's left to say (3) every word's been spoke
What's left to see when our eyes won't open
What's left to do when we've lost all (4) and
What's left to break when our hearts are broken
But sometimes
Do you remember how this started out?
So full of hope but now we're filled with doubt
A dirty joke we (5) to laugh about

But it's not funny anymore
I fear I'll choke unless I spit it out
Still smell of smoke although the fire's gone out
Can't live with you but I'd die without
So what's (6) to say when every word's been
spoken
What's left to see (7) our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do (8) we've lost all hope and
What's left to (9) when our hearts are broken
But sometimes
