Golden leaves by Passenger

Do you remember how this first begun?

Teeth (1)_____ white and our (2)_____ was young

Eyes as (3)_____ as the Spanish sun

We had nothing we could hide

Now my dear we are two golden leaves

Clinging desperately to winter trees

Held up here like a pair of thieves

While the sirens blare outside

What's (4)_____ to say when every word's been spoken

What's (5)_____ to see when our eyes won't open

What's left to do when we've lost all hope and

What's left to break (6)_____ our hearts are broken

But sometimes

Do you remember how this started out?

So full of hope but now we're filled with doubt

A (7)_____ joke we (8)_____ to laugh about

But it's not funny anymore

I fear I'll (9)_____ unless I spit it out

Still smell of smoke although the fire's gone out

Can't live with you but I'd die without

So what's left to say when every word's been spoken

What's left to see when our eyes won't open

What's left to do when we've (10)_____ all hope and

What's left to break when our hearts are broken

But sometimes

What's left to say when every word's been spoken

What's left to see when our eyes won't open

What's left to do when we've lost all hope and

What's left to break when our hearts are broken

But sometimes
