

Do you remember how this first begun?

## Fill in the gaps

Teeth were white and our skin was young
Eyes as bright as the Spanish sun
We had nothing we could hide
Now my dear we are two (1) leaves
Clinging desperately to (2) trees
(3) up here like a pair of thieves
While the sirens blare outside
What's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break (4) our hearts are broken
But sometimes
Do you (5) how this
(6) out?
So full of hope but now we're (7) with doubt
A dirty joke we used to laugh about

But it's not funny anymore
I fear I'll choke unless I spit it out
Still smell of smoke although the fire's gone out
Can't live with you but I'd die without
So what's left to say when every word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all (8)\_\_\_\_\_\_ and
What's left to break when our hearts are broken
But sometimes
What's left to say when (9)\_\_\_\_\_ word's been spoken
What's left to see when our eyes won't open
What's left to do when we've lost all hope and
What's left to break when our hearts are broken
But sometimes
