When I was a kid the things I did How much greener the grass is Were hidden under the grid With those rose tinted glasses Young and naive I never believed But the butterflies they flutter by That love could be so well hid And leave us on our arses With regret I'm willing to bet _____ I'd love to feel love And say the older you get But I can't stand the rejection It gets harder to forgive and harder to forget I hide behind my jokes It gets under your shirt (1)_____ a dagger at work As a form of protection The first cut is the deepest I thought I was close but under further inspection But the rest still flipping hurt It seems I've been running in the wrong direction You build your heart of plastic There's fish in the sea for me to make a selection Get cynical and sarcastic I'd jump in if it wasn't for my ear infection Because all I want to do is try to make a connection And end up in the corner on your own Because I'd love to feel love It seems I've (5)_____ running in the wrong direction oh But I can't stand the rejection I'd (6)_____ to feel love but I can't stand the rejection I hide behind my jokes I hide behind my jokes As a form of protection As a form of protection I thought I was close but under further inspection I (7)__ I was close but under further _____ in the wrong It seems I've been (2)_ inspection direction oh no It seems I've been running in the wrong direction I'd love to feel (8)_____ but I can't stand the rejection So what's the point in getting your hopes up? When all you're ever getting I hide behind my jokes Is choked up As a form of protection When you're coked up And I thought I was close but under further inspection It seems I've (9)_____ running in the (10)_ And can't remember the (3)_____ why you broke up direction oh You call her in the morning It seems like I'm running in the wrong direction oh When you're coming down and falling Seems like I'm running in the wrong direction oh Like an old man on the side of the road Well it seems I've been running in the wrong direction oh no Because when you're apart you don't want to mingle Seems I've been running in the wrong direction When you're together you want to be single Ever the chase to taste the kiss of bliss That made your heart tingle
