

## Fill in the gaps

Well we'll kiss for that's now it begins	Because (6) won't buy (7)	
Ne'll embrace (1) to warm our skins	And nor will they sell	
'll think of her and you'll think of him	And (8) is no love in this hotel	
And we'll talk to keep	Though we're walking (9) we (10)	too
The silence from our ears	well	
And we'll (2) because we're so close to tears	We are both lost	
Ne're just lonely, you know	We are both lost	
That's why we're here	And we won't be found	
Because you don't (3) like you should	She was my compass	
And you don't fit in my arms like she would	He was your map	
_ying in the dark, it's understood	We've come too far to be turning back	
We are both lost	And we'll sit on our single beds	
And we won't be found	Nothing on our hearts	
Ne will wake up (4) each other in our paws	And tears on our threads	
You cover over white bits	For we know	
Like I've not seen them before	The last unicorn is dead	
We'll say goodbye and (5) we'll say no more
