Well we'll kiss for that's how it begins	Because hearts won't buy love
We'll (1) just to warm our skins	And nor will they sell
I'll think of her and you'll think of him	And there is no love in this hotel
And we'll talk to keep	Though we're walking home we (8) too well
The silence (2) our ears	We are both lost
And we'll laugh (3) we're so close to tears	We are both lost
We're (4) lonely, you know	And we won't be found
That's why we're here	She was my compass
Because you don't taste like you should	He was your map
And you don't fit in my (5) like she would	We've come too far to be turning back
Lying in the dark, it's understood	And we'll sit on our single beds
We are both lost	Nothing on our hearts
And we won't be found	And tears on our threads
We will wake up with each other in our paws	For we know
You cover over white (6)	The (9) unicorn is dead
Like I've not seen (7) before	
We'll say goodbye and then we'll say no more
