

Fill in the gaps

Well, last night I couldn't sleep		Because it hit me with no warning	
I got up and started walking		(5) a summer sky storming in my lungs	
Down to the end of my street		Ain't it funny how the kids walk by	
And on into town		They'll do (6)	to make themselves look
Well I had no one to meet		older	
And I had no taste for talking		While the women spend their money	
Seems I'm talking my whole life		On anything that makes them look young	
It's time I listen now		Like a stone	
Well, I walked I passed the late night boys		We're carried on the river	
With their bottles in the doorways		Like a boat	
And I walked I (1)	the business men	(7) on the sea	
Sleeping like babies in their cars		Oh I'll keep on walking	
And I thought to myself oh son		Well, (8) keep on walking	
You may be lost in more (2) than one		Till I find that old love	
But I've a feeling that it's more fun		Or that old love comes to (9)	me
Than knowing exactly where you are		Well, I'm like a stone	
Like a stone		And I'm carried on the river	
Carried on the river		Like a boat	
Like a boat		Sailing on the sea	
Sailing on the sea		Oh well, I'll keep on walking	
Well I'll keep on walking		Well, I said I'll keep on walking	
Oh (3)	keep on walking	Till I find that old love	
Till I find (4)	old love	Or that old love comes to (10)	me
Or that old love comes to find me		Till I find that old love	
Well, I walked into the morning		Or that old love comes to find me	
And felt the warm sunli	ght forming on my shoulders
