

Strangers In The Night by Frank Sinatra

Strangers in the night (1)	glances
Wond'ring in the night	
What were the chances we'd be sharing love	
Before the night was through.

Something in my heart,	
Told me I must have you.	
Strangers in the night, two lonely people	
We were strangers in the night	
Up to the moment	
When we said our first hello.	
Little did we know	
Love was just a (2) away,
