## SUB inglés

Just a second, we're not broken just bent

## Fill in the gaps

## Just give me a reason (ft. Nate Ruess by Pink

Right from the start, you were a thief	And we can learn to love again
You (1) my heart	I never (6)
And I your willing victim	It's (7) written in the scars on my heart
I let you see the parts of me	You're not broken just bent
That weren't all that pretty	And we can learn to love again
And with every touch you (2) them	Oh, tear ducts and rust
Now, you've been talking in your sleep	I'll fix it for us
Oh oh, things you never say to me	We're collecting dust
Oh oh, tell me that you've had enough	But our love's enough
Of our love, our love	You're holding it in
Just give me a reason	You're pouring a drink
Just a little bit's enough	No, nothing is as bad as it seems
Just a second, we're not broken	We'll come clean
(3) bent	Just give me a reason
And we can learn to love again	(8) a little bit's enough
It's in the stars	Just a second, we're not broken just bent
It's been written in the scars on our hearts	And we can learn to love again
We're not broken just bent	It's in the stars
And we can learn to love again	It's been written in the scars on our hearts
I'm sorry I don't understand where	We're not broken just bent
All of this is coming from	And we can learn to love again
I thought that we were fine	Just give me a reason
-Oh, we had everything-	Just a little bit's enough
Your head is running wild (4)	Just a second, we're not broken just bent
My dear, we still have everything	And we can learn to love again
And it's all in your mind	It's in the stars
-Yeah, but this is happening-	It's been written in the scars on our hearts
You've been having real bad dreams	We're not broken just bent
Oh oh, used to lie so close to me	And we can learn to love again
Oh oh, there's nothing more than empty sheets	Oh, we can (9) to love again
Between our love, our love	Oh, we can learn to love again
Oh, our love, our love	Oh, that we're not broken just bent
Just (5) me a reason	And we can learn to love again
Just a little bit's enough	

- 1. stole
- 2. fixed
- 3. Just
- 4. again
- 5. give
- 6. stopped
- 7. still
- 8. Just
