

Fill in the gaps

Rihanna speaking:	Shine a light through an open door
"It's like screaming and no one can hear.	Love and life I will divide
You always feel ashamed	Turn away cause I need you more
that someone could be that important	Feel the heartbeat in my mind
that without them, you feel like nothing.	It's the way I'm feeling
No one will ever (1) how much	it I just can't deny
hurts.	But I've gotta let it go
You feel hopeless, like nothing can save you.	We (4) love in a (5) place
Then when it's over, then it's gone,	We found love in a hopeless place
you almost wish you could have all that bad stuff back,	We found love in a (6) place
so that you can have the good.	We found love in a hopeless place
	Yellow diamonds in the light
(2) diamonds in the light	And we're (7) (8) by side
And we're standing side by side	As your shadow crosses mine
As your shadow crosses mine	We found love in a hopeless place
What it takes to (3) alive	We (9) love in a hopeless place
It's the way I'm feeling	We found love in a hopeless place
I just can't deny	We found love in a hopeless place
But I've gotta let it go	(bis)
We found love in a hopeless place	
We found love in a hopeless place	
We found love in a hopeless place	
We found love in a hopeless place
