Fill in the gaps

Love the way you lie by Rihanna & Eminem

(Rihanna)		
Just gonna stand there		
and watch me burn		
But that's alright		
Because I like the way it hurts		
Just gonna stand there		
And (1) me cry		
But that's alright because I love the way you lie		
I love the way you lie		
I love the way you lie		
(Eminem)		
I can't (2) you what it really is		
I can only tell you what it feels like		
And right now there's a steel knife in my windpipe		
I can't breathe but I (3) fight		
While I can fight		
As long as the wrong feels right		
It's like I'm in flight		
High of a love		
Drunk (4) the hate		
Drunk (4) the hate It's like I'm huffing paint		
It's like I'm huffing paint		
It's like I'm huffing paint And I love it the more that I suffer		
It's like I'm huffing paint And I love it the more that I suffer I suffocate		
It's like I'm huffing paint And I love it the more that I suffer I suffocate And right before I'm about to drown		
It's like I'm huffing paint And I love it the more that I suffer I suffocate And right before I'm about to drown She resucitates me		
It's like I'm huffing paint And I love it the more that I suffer I suffocate And right before I'm about to drown She resucitates me She fucking hates me and I love it		

I'm leaving you

Come back We're running right back Here we go again It's so insane Cause when it's going good It's going great I'm Superman with the wind in his bag She's Lois Lane But when it's bad it's awful I feel so ashamed I snap Who's that dude I don't even know his name I laid hands on her I'll never stoop so low again I guess I don't know my own strength. (Rihanna) Just gonna stand there and watch me burn But that's alright Because I like the way it hurts Just gonna stand there And hear me cry But that's alright because I love the way you lie I love the way you lie I love the way you lie (Eminem)

When you're with them
You meet
And neither one of you even know what hit 'em
Got that warm fuzzy feeling
Yeah them chills
Used to get 'em
Now you're getting fucking sick
Of looking at 'em
You swore you've never hit 'em
Never do nothing to hurt 'em
Now you're in (5) other's face
Spewing venom
And these words
When you spit 'em
You push
Pull each other's hair
Scratch, claw, bit 'em
Throw 'em down
Pin 'em
So lost in the moments
When you're in 'em
It's the rage that took over
It controls you both
So they say it's best
To go your separate ways
Guess that they don't know you
Cause today

That was yesterday

Yesterday is over

It's a different day

Sound like broken records		
Playin' over		
But you promised her		
Next time you'll show restraint		
You don't get another chance		
Life is no (6) game		
But you lied again		
Now you get to watch her leave		
Out the window		
Guess that's why they (7) it window pane		
(Rihanna)		
Just gonna stand there		
and watch me burn		
But that's alright		
Because I like the way it hurts		
Just gonna stand there		
And hear me cry		
But that's alright because I love the way you lie		
I love the way you lie		
I love the way you lie		
(Eminem)		
Now I know we said things		
Did things		
That we didn't mean		
And we fall back		
Into the same patterns		
Same routine		
But (8) temper's just as bad as mine is		
You're the same as me		

But when it comes to love

You're just as blinded

Baby (9)	come back	
It wasn't you		
Baby it was me		
Maybe our relationship		
Isn't as crazy as it seems		
Maybe that's what happens		
When a tornado meets a volcano		
All I know is		
I love you too much		
To walk away though		
Come inside		
Pick up your bags off the	e sidewalk	
Don't you hear sincerity		
In my voice when I talk		
Told you this is my fault		
Look me in the eyeball		
Next time I'm pissed		
I'll aim my fist at the dry	wall	
Next time		
There will be no next time	ne	
I apologize		
Even though I know it's	lies	
I'm tired of the games		
I just want her back		
I know I'm a liar		
If she ever tries to fucking	ng leave again	
I'mma (going to) tie her to the bed		
And set the house on fire
