

Fill in the gaps

Love the way you lie by Rihanna & Eminem

(Rihanna)

Just gonna stand there

and watch me burn

But that's alright

Because I like the way it hurts

(1)_____ gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

I can't tell you what it really is

I can only tell you what it (2)_____ like

And right now there's a steel knife in my windpipe

I can't breathe but I (3)_____ fight

(4)_____ I can fight

As long as the wrong feels right

It's like I'm in flight

(5)_____ of a love

Drunk from the hate

It's like I'm huffing paint

And I love it the more that I suffer

I suffocate

And right before I'm about to drown

She resuscitates me

She (6)_____ hates me and I love it

Wait

Where you going

I'm leaving you

Fill in the gaps

No you ain't

Come back

We're running right back

Here we go again

It's so insane

Cause when it's (7)_____ good

It's (8)_____ great

I'm (9)_____ with the wind in his bag

She's Lois Lane

But when it's bad it's awful

I feel so ashamed

I snap

Who's that dude

I don't (10)_____ (11)_____ his name

I laid hands on her

I'll never stoop so low again

I guess I don't know my own strength.

(Rihanna)

Just gonna stand there

and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

You ever love somebody so much

You can barely breathe

Fill in the gaps

When you're (12)_____ them

You meet

And neither one of you even know what hit 'em

Got that warm fuzzy feeling

Yeah them chills

Used to get 'em

Now you're getting fucking sick

Of looking at 'em

You swore you've (13)_____ hit 'em

(14)_____ do nothing to hurt 'em

Now you're in each other's face

Spewing venom

And these words

(15)_____ you spit 'em

You push

Pull each other's hair

Scratch, claw, bit 'em

Throw 'em down

Pin 'em

So lost in the moments

When you're in 'em

It's the rage that took over

It controls you both

So they say it's best

To go your separate ways

Guess that they don't know you

Cause today

That was yesterday

(16)_____ is over

It's a different day

Sound like broken records

Fill in the gaps

Playin' over

But you promised her

Next time you'll show restraint

You don't get another chance

Life is no Nintendo game

But you lied again

Now you get to watch her leave

Out the window

Guess that's why they call it (17)_____ pane

(Rihanna)

Just gonna stand there

and watch me burn

But that's alright

Because I like the way it hurts

Just (18)_____ stand there

And hear me cry

But that's alright (19)_____ I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

Now I know we said things

Did things

That we didn't mean

And we fall back

Into the (20)_____ patterns

Same routine

But your temper's just as bad as (21)_____ is

You're the same as me

But (22)_____ it comes to love

Fill in the gaps

You're just as blinded

Baby please (23)_____ back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

When a tornado meets a volcano

All I know is

I love you too much

To walk away though

Come inside

Pick up your bags off the sidewalk

Don't you hear sincerity

In my voice when I talk

Told you this is my fault

Look me in the eyeball

Next (24)_____ I'm pissed

I'll aim my fist at the dry wall

Next time

There will be no next time

I apologize

Even though I know it's lies

I'm tired of the games

I just want her back

I know I'm a liar

If she ever tries to fucking leave again

I'mma (going to) tie her to the bed

And set the house on fire

(Rihanna)

Fill in the gaps

Just gonna stand there

and watch me burn

But that's alright

Because I (25)_____ the way it hurts

Just gonna stand there

And hear me cry

But that's alright (26)_____ I love the way you lie

I love the way you lie

I love the way you lie

Fill in the gaps

Answer

1. Just
2. feels
3. still
4. While
