

Fill in the gaps

When I look you in the lies	Praying to a God I don't think exist
Something (1) inside me dies	Will you listen now?
Because I know you won't get better, better, better	Can you forgive me somehow?
You'd rather be (2) than be loved	This time I'll be different, I promise you,
The (3) thing I've understood	This time I'll be special, you (6) I will,
Nothing's ever good enough	Just don't leave with me in your eyes.
I (4) (5) the words as	This time I'll be better, I (7) you to know,
they're leaving me	This time I'll be special, oh God, make it so,
Tremble at the sight of your majesty	Just don't leave with me in your eyes, (8) eyes
And I cut myself just to get them out	your eyes
This time I'll be different, I promise you	Closer now to the end
This time I'll be special, you know I will	If love was the answer
Just don't leave with me in your eyes	(9) hope was the question
This time I'll be better, I want you to know	Closer now, let's pretend
This time I'll be special, oh God, make it so	We've never been out here before
Just don't leave with me in your eyes, your eyes, your eyes	This time I'll be different, I promise you
You took my youth, you took my health	This time I'll be special, you know I will
And if you're not here I'll fight myself	Don't leave with me in your eyes
You're supposed to make this better, better, better	This time I'll be better, I want you to know
No self-control and no reason why	This time I'll be special, oh God, (10) it so
And if I don't change, then we both die	Just don't leave with me in your eyes, your eyes, your eyes
This is it for you and I	
Blisters at the end of my fingertips
