

Fill in the gaps

when I look you in the lies	Praying to a God I don't think exist
Something deep inside me dies	Will you listen now?
Because I know you won't get better, better, better	Can you forgive me somehow?
You'd rather be right than be loved	(14) time I'll be different, I promise you,
The only thing I've understood	This time I'll be special, you (15) I will,
Nothing's ever good enough	(16) don't (17) (18) me in
I (1) (2) the words as	(19) eyes.
they're leaving me	(20) time I'll be better, I want you to know,
(3) at the sight of (4) majesty	(21) time I'll be special, oh God, make it so,
And I cut myself (5) to get (6) out	Just don't leave with me in your eyes, your eyes, your eyes
This (7) I'll be different, I promise you	Closer now to the end
This time I'll be special, you know I will	If (22) was the answer
(8) don't leave with me in your eyes	Then (23) was the question
This time I'll be better, I want you to know	(24) now, let's pretend
(9) (10) I'll be special, oh God, make it	We've never been out here before
so	This time I'll be different, I promise you
Just don't leave with me in (11) eyes, your eyes,	This time I'll be special, you know I will
your eyes	Don't leave with me in your eyes
You took my youth, you took my health	This time I'll be better, I want you to know
And if you're not here I'll fight myself	This time I'll be special, oh God, make it so
You're supposed to make this better, better, better	Just don't (25) with me in (26) eyes,
No self-control and no reason why	your eyes, your eyes
And if I don't change, (12) we both die	
(13) is it for you and I	
Blisters at the end of my fingertips
