

## Fill in the gaps

## It must have been love (BSO Pretty Woman) by Roxette

It (1) have been love	It was all that I wanted, now I'm living without
But it's over now	It must have been (14) but it's (15) now
Lay a (2) on my pillow	It's where the water flows
Leave the winter on the ground	It's where the wind blows
I wake up lonely	It must have been love but it's (16) now
there's air of (3) in the	It must have been good but I lost it somehow
(4) and all around	It must have been love but it's over now
(5) me now, I close my eyes and	From the moment we touched
(6) away	Till the time had run out
It must (7) been love but it's over now	It must have been (17) but it's over now
It must (8) been good but I lost it somehow	It was all (18) I wanted, now I'm living without
It must have been (9) but it's over now	It (19) have been love but it's (20) now
From the moment we touched	It's (21) the (22) flows
Till the time had run out	It's where the wind blows
(10) believing we're together	It must (23) been love but it's over now
That I'm sheltered by your heart	It must have been (24) but it's (25) now
But in and outside	
I've turned to water (11) a teardrop in your palm	
And it's a hard winter's day I dream away	
It must have been (12) but it's (13) now
