It's all in this (4)_____ of love

Fill in the gaps

The game of love by Santana & Michelle Branch

Tell me	You roll me
Just what you want me to be	Control me
One kiss	Console me
And boom you're the only one for me	Please hold me
So please tell me	You guide me
why don't you come around no more	Divide me
Cause right now I'm crying	Into two
Outside the door of your candy store	So please (5) me why
It just takes a little bit of this	don't you come (6) no more
A little bit of that	Cause right now I'm (7) outside
It (1) with a kiss	The door of your (8) store
Now we were up to bat	It just takes a little bit of this
A little bit of laughs	A (9) bit of that
A little bit of pain	It started with a kiss
I'm telling you, my babe	Now we were up to bat
It's all in this (2) of love	A little bit of laughs
Is whatever you make it to be	A little bit of pain
Sunshine set on this cold lonely sea	I'm telling you, my babe
So please baby try and use me for what I'm good for	It's all in (10) game of love
It ain't sayin' (3) it's knocking down	It's all in this game of love
The door of your candy store	It's all in the game of love
It just takes a little bit of this	Yeah, in the game of love
A little bit of that	Roll me
It started with a kiss	Control me
Now we were up to bat	Please hold me
A little bit of laughs	-Make me feel good, yeah-
A little bit of pain	I'm out here on my own
I'm telling you, my babe	On my own
