

## Fill in the gaps

You can (1) Manhattan	Could you do that for me?
I (2) it's for the best	Because I'm just too sad to
I'll gather up the avenues	You can have Manhattan
And (3) (4) on (5)	Because I can't have you
doorstep	And so it goes
And I'll tip toe away	One foot after the other
So you won't have to say	Till black and white begin to color in
You heard me leave	And I know (8) holding us in place
You can have Manhattan	Is simply fear
I know it's what you want	Of what's already changed
The bustle and the buildings	You can have Manhattan
The weather in the fall	I'll settle for the beach
And I'll bow out of place	And (9) facing westward
To save you some space	With sand (10) my feet
For somebody new	I'll wish this away
You can have Manhattan	Dismissing the days
Because I can't have you	When I was one half of two
You can have Manhattan	You can have Manhattan
The one we (6) to share	Because I can't have you
The one where we were laughing	
And drunk on just (7) there	
Hang on to the reverie
