

Fill in the gaps

You can be amazing	And let the words fall out
You can (1) a phrase into a (2) or	Honestly, I want to see you be brave
a drug	(13) what you want to say
You can be the outcast	And let the words fall out
Or be the (3)	Honestly, I want to see you be brave
Of somebody's lack of love	Innocence, your history of silence
Or you can start speaking up	Won't do you any good
Nothing's going to hurt you the way that (4) do	Did you think it would?
When they settle beneath your skin	Let your words be anything but empty
Kept on the inside and no sunlight	Why don't you tell them the truth?
Sometimes a shadow wins	Say what you wanna say
But I wonder what would happen if you	And let the words (14) out
Say (5) you want to say	Honestly I want to see you be brave
And let the words fall out	(15) what you (16) to say
Honestly, I want to see you be brave	And let the words fall out
With what you (6) to say	(17) I want to see you be brave
And let the words fall out	I just want to see you
Honestly, I want to see you be brave	I just (18) to see you
I just want to see you	I just want to see you
I just want to see you	I want to see you be brave
I (7) want to see you	I just want to see you
I want to see you be brave	I just want to see you
I just want to see you	I just (19) to see you
I (8) want to see you	I (20) to see you be brave
I just want to see you	I just (21) to see you
I (9) to see you be brave	I just want to see you
Everybody's been there	I just want to see you
Everybody's been stared (10) by the enemy	I want to see you be brave
Fallen for the fear and done some disappearing	I (22) want to see you
Bow down to the mighty	I just want to see you
Don't run, stop holding your tongue	I (23) want to see you
Maybe there's a way out of the cage where you live	
Maybe one of (11) days you can let the light in	
Show me how big (12) bravery is	
Sav what you want to sav
