

## Tonight by Seether

I'm not gonna (1) this
This opportunity's mine
I'm sick of complaining
(2) a beautiful life
How did we get here?
Did we forget all the things inside?
And how do we stay here?
Do we (3) all the things denied?
I feel so (4) tonight
You got me feeling sublime
I want to yell it from the rooftops down
Until it's over, and we're older
_
For my entertainment
You tell a (5) lie
•
You tell a (5) lie
You tell a (5) lie To keep me complacent
You tell a (5) lie To keep me complacent You knock me down with a smile
You tell a (5) lie To keep me complacent You knock me down with a smile How did we get here?
You tell a (5) lie To keep me complacent You knock me down with a smile How did we get here? How do we pretend everything's alright?
You tell a (5) lie  To keep me complacent  You knock me down with a smile  How did we get here?  How do we pretend everything's alright?  And how do we stay here?
You tell a (5) lie  To keep me complacent  You knock me down with a smile  How did we get here?  How do we pretend everything's alright?  And how do we stay here?  Do we erase all the fear inside?
You tell a (5) lie  To keep me complacent  You knock me down with a smile  How did we get here?  How do we pretend everything's alright?  And how do we stay here?  Do we erase all the fear inside?  I feel so alive tonight
You tell a (5) lie  To keep me complacent You knock me down with a smile How did we get here? How do we pretend everything's alright? And how do we stay here? Do we erase all the fear inside? I feel so alive tonight You got me feeling sublime

## Fill in the gaps

These worlds are gonna collide	
I want to yell it from the rooftops down	
Until it's over, and we're older	
So take me, but go slow	
Let me hide somewhere I know	
And let this seed grow	
Until we finally call (6) home	
So take me, but go slow	
Let me hide somewhere I know	
And let this (7) grow	
Until we finally call this home	
If I was to die tonight	
Would it tear you apart?	
Would you yell it from the rooftops down?	
Until (8) over, and you're older	
I feel so alive tonight	
You've got me feeling sublime	
I want to yell it from the (9)	dow
Until it's over, and we're older	
Like sugar and cyanide	
I want to make it collide	
I'm gonna yell it from the rooftops down	
Until it's over, and we're older
