## God save the Queen by Sex pistols

God save the queen	(7) there's no future
The fascist regime	How can there be sin
They made you a moron	We're the flowers in the dustbin
Potential H-bomb	We're the poison in your (8) machine
God (1) the queen	We're the future, your future
She ain't no human being	God save the queen
And there is no future	We mean it man
In England's dreaming	We love our queen
Don't be told do what you (2) to	God saves
And don't be told do (3) you need	God save the queen
There's no future, no future,	We mean it man
No future for you	And there is no future
God (4) the queen	In England's dreaming
We (5) it man	No future, no future,
We love our queen	No future for you
God saves	No future, no future,
God (6) the queen	No (9) for me
Because tourists are money	No future, no future,
And our figurehead	No future for you
Is not what she seems	No future, no future
Oh God save history	For you
God save your mad parade	
Oh Lord God have mercy
