The pain surrounds	When you tuck me in
I watch it rain	You (4) me nighty night
I watch it trickle down	Just (5) I've been wrong
And I feel so clear	I'm doing this now
You let it out	I've (6) it all along
I (1) it disappears	And I can't believe in nothing
I don't (2) know	Or anyone that I can't see
Just where it ends	You know it's better than it's ever been
Just where the water flows	And that's good enough for me
And I can't quite see	(7) love was bittersweet, bittersweet, bittersweet,
Just where it was	it's bittersweet
(3) where it use to be	Your love was killing me, killing me, killing me,
And I can't believe in nothing	(8) killing me
Or anyone that I can't see	-This is the best day of my life-
You know it's better than it's ever been	(bis x3)
And it's good enough for me	I can't believe in nothing
Your love was bittersweet, bittersweet, bittersweet,	Or anyone (9) I can't see
it's bittersweet	You know it's better than it's ever been
Your love is killing me, killing me, killing me,	And it's good enough for me
it's killing me	(10) love was bittersweet, bittersweet, bittersweet,
Yes I walked the line	
I do it now	it's bittersweet
I've done it all the time	Your love was killing me, killing me, killing me,
And I feel so free	it's killing me
You let me out	-This is the best day of my life-
You let me be my be, be my be	-It was the best day of my life-
And I don't feel quite so right
