

Fill in the gaps

The pain surrounds	When you tuck me in
I (1) it rain	You tuck me nighty night
I watch it trickle down	(14) (15) (16)
And I feel so clear	(17) wrong
You let it out	I'm doing (18) now
I (2) it disappears	I've done it all along
I don't quite know	And I (19) believe in nothing
Just (3) it ends	Or anyone that I can't see
Just where the (4) flows	You know it's better (20) it's ever been
And I can't quite see	And that's good enough for me
Just where it was	Your love was bittersweet, bittersweet, bittersweet,
Just where it use to be	(21) bittersweet
And I can't believe in nothing	Your love was killing me, killing me, killing me,
Or (5)	it's killing me
You know it's better than (7) ever been	-This is the best day of my life-
And (8) good (9) for me	(bis x3)
Your love was bittersweet, bittersweet, bittersweet,	I (22) believe in nothing
(10) bittersweet	Or anyone that I can't see
Your love is (11) me, killing me,	You (23) it's better than it's ever been
(12) me,	And it's good enough for me
it's killing me	(24) love was bittersweet, bittersweet, bittersweet,
Yes I walked the line	
I do it now	(25) bittersweet
I've done it all the time	Your love was killing me, (26) me, killing
And I feel so free	me,
You let me out	it's killing me
You let me be my be, be my be	-This is the best day of my life-
And I (13) feel quite so right	-It was the (27) day of my life-
