

As fast as you can

## Fill in the gaps

You say you know that I'll be there	Tell me how low can you go
I've got a penny for your thoughts	You're in out of control
If you (1) to drop them off	And, oh no, you're (6) when.
Or you can meet me at the station	You never ever really thought you ever had a chance
I'm beyond the hesitation	Oh you'll never show enough skin
You're (2) up miles to reach me	For them to let you in and
The ticket is void,	Oh no, its overexposure
The driver was lost and	And it (7) you right down now
The people on the bus are telling you to get off	And it breaks
Run, run, run, run, run, run, run	And it breaks you right down now
As fast as you can	And it breaks
Tell me how low can you go	And it breaks you right (8) now
You're in out of control	Overexposure
And, oh no, you're overexposed when	And it breaks you right down now
You never ever really (3) you ever had a	Overexposure
chance	-and it breaks you right down now- (bis)
Oh you'll never show enough skin	Run, run, run, run, run, run, run
For them to let you in and	As fast as you can
Oh no, it's overexposure	Tell me how low can you go
Tell me this feeling will arise	You're in out of control
When the ship is sinking	And, oh no, you're (9) when.
And (4) are thinking	You never ever thought you ever had a chance
(5) all the tension	Oh you'll never show enough skin
It's beyond your comprehension	For them to let you in and
This trip has taken its course	Oh no, its overexposure now
This plane is ready to land	Overexposure now
We'll make it on time	¡(bis x3)
And the airline personnel	
are in the back getting high	
Run, run, run, run, run, run, run
