

Fill in the gaps

I'll make you wonder			Come and chase me through the night and			
I'll make you wonder now			Feel this fine line escalate			
Give your fingertips a break			I (5)	believe	you're	
I'll take you under			I can't believe you're gone			
I'll make you wonder now			I can't believe you're			
I'll make you wonder		I can't believe you're gone				
Give your fingertips a break		You (6)	my (7)		_ favourite feeling	
I'll take you under		Let's sing la la la la				
I'll take you under		You are my new favourite feeling				
And (1) it starts back into night			You are my little favourite feeling			
You'll ask me if I want to play			Singing whoa			
Come and (2) me (3) the			I catched you at the right time			
night and			Not my feeling, not my feeling			
Feel this fine line escalate			If you can't stop me			
I'll make you wonder			No you'll do it			
I'll make you wonder now		Now (8) do it				
Give your fingertips a break		No you do it again				
I'll take you under		And when you wake up				
I'll make you wonder		In yesterday's makeup				
Let me whisper melodies			You left me with the message			
Pull me in a little more		"Can we still be friends?"				
Pull me close, serenity		And when it starts back into night				
If you (4)	stop me		You'll ask me	if I want to play		
No you'll do it			Come and cha	ase me (9)		the night and
Now you'll do it			Feel me taste	your breath away	у	
No you do it again		I can't believe you're				
And when you wake up	en you wake up		I can't believe	(10)		gone
In yesterday's makeup			I can't believe you're			
You left me with the message			I can't believe	you're gone		
"Can we still be friends?"						
And when it starts back into	night					
You'll ask me if I want to pla	ıy
