

## Fill in the gaps

Poured (1) a warm glass	I listen to the (16) play
And laid awake	I live by my own laws
Prayed the (2) my soul to take	Stick to my guns
Thought about you all day	Hold my (17) up to the midnight sun
How we (3) the same face	Hope the (18) will dim and fade
I fell asleep so confused	A fire baptism engulfs my shame
Parts of me (4) me of you	Only ever in dreams I wrap my arms around you
How could I (5) wish away?	And (19) in the water with me
Only ever in dreams I wrap my arms around you	I could (20) you what I want to tell you
And (6) in the (7) with me	And I hope it's not just a bad dream
I (8) I want	I (21) it's not just a sad dream
o tell you	Only ever in (22) I wrap my arms around you
And I hope it's not (11) a bad dream	And standing in the water (23) me
I hope it's not just a sad dream	I (24) tell you what I want to tell you
I wake up and I hear my (12) ring	And I hope it's not just a bad dream
I (13) you (14)	I hope it's not (25) a sad dream
And I let my (15) ring	
When I got into my car	
And drove away
