

Sad dream by Sky Ferreira

Fill in the gaps

Poured myself a warm glass
And laid awake
Prayed the lord my soul to take
Thought about you all day
How we have the same face
I fell asleep so confused
Parts of me remind me of you
How could I ever wish away?
Only ever in dreams I wrap my arms around you
And standing in the water (1)_____ me
I could tell you what I want to tell you
And I hope it's not just a bad dream
I hope it's not (2)_____ a sad dream
I wake up and I (3)_____ my phone ring
I hear you (4)_____
And I let my phone ring
When I got into my car
And (5)_____ away

I (6)_____ to the stereo play
I live by my own laws
Stick to my guns
(7)_____ my head up to the midnight sun
Hope the guilt will dim and fade
A fire baptism engulfs my shame
Only (8)_____ in dreams I wrap my arms around you
And standing in the water with me
I could (9)_____ you what I want to tell you
And I hope it's not just a bad dream
I hope it's not just a sad dream
(10)_____ ever in dreams I wrap my arms around you
And standing in the water with me
I could tell you what I want to tell you
And I hope it's not just a bad dream
I hope it's not just a sad dream
