

Fill in the gaps

Poured myself a warm glass		I listen to the stereo play
And laid awake		I (4) by my own laws
Prayed the lord my soul to take		Stick to my guns
Thought about you all day		Hold my head up to the (5) sun
How we (1) the same face		Hope the guilt will dim and fade
I fell asleep so confused		A fire baptism engulfs my shame
Parts of me remind me of you		(6) ever in dreams I wrap my arms around you
How could I ever wish away?		And standing in the water with me
Only (2) in (3)	I wrap my arms	I could tell you what I want to (7) you
around you		And I hope it's not (8) a bad dream
And standing in the water with me		I hope it's not just a sad dream
I could tell you what I want to tell you		Only (9) in dreams I wrap my arms around you
And I hope it's not just a bad dream		And standing in the water with me
I hope it's not just a sad dream		I could tell you what I want to tell you
I wake up and I hear my phone ring		And I (10) it's not just a bad dream
I hear you call		I hope it's not just a sad dream
And I let my phone ring		
When I got into my car		
And drove away
