You called my name in the dark
Called me back to the start
The condensation is building tension
Stubborn silence is formed
Around our bodies it's warm
The cool wet (1) as summer passes
Frightened under attack
Fallen flat on my back
Arms and legs
I'm too (2) to beg
Harm me most when it's light
(3) of you don't sit right
I (4) the darkness a (5) embrace
(6) cities to dust
Faces dripping in lust
Faces dripping in lust  Fallen (7) and raging bushfires
