we were sleeping in	or loud and out of key
(1) inside our blankets	(6) me anything
sprawled across the bed	we're glad for what we've got
and we (2) dreaming	done with what we've lost
There are moments when I know it ends	our whole (7) (8) out right in front of
and the world revolves around us	us
and we're (3) it	Sing like you think no one's listening
keeping it all going	you would kill for this
this delicate balance	just a little bit
vulnerable, all knowing	just a little bit
Sing like you think no one's listening	you would, you would
you would kill for this	Sing like you think no one's listening
just a little bit	you (9) kill for this
just a little bit	just a little bit
you (4) kill for this	just a little bit
Sing like you think no one's listening	you would, you would
you would (5) for this	Sing me something soft
just a little bit	sad and delicate
just a little bit	or loud and out of key
you would, you would	sing me anything
