#### Take it or leave it by Sublime with Rome

She's got a knack for hurting me	(18) it or leave it
Is it the words she says	Because I'm really leaving
The only (1) (2) keeps me here	I've purchased my ticket to New York
Are her eyes in the morning	First (19) in the morning
I've packed my things a thousand times	Kissing you good morning
And I've faked believe all her lies, for the last time	And whispering goodbye
The other day I (3) myself a map	Take it or leave it
So I could figure out your head	(20) I'm really leaving
The canvas dripped with my sweat, blood and tears	I've (21) up my mind this time
And she hated every thread	There's no coming back for you
I've (4) my things a (5)	Oh, there's no coming back for you
times	And I'll always feel incomplete
And I've faked (6) all your lies, for the last	She smothered herself with her own beauty
time	And she was born and raised daddy's princes
Take it or leave it	But her gesture is no match for an heiress
Because I'm really leaving	Yes her gesture is no (22) for an heiress
I've purchased my ticket to New York	(23) I try to love you, try to hold on to
First thing in the morning	The (24) that makes me fall for you
(7) you good morning	Oh, the (25) that makes me fall
And (8) goodbye	Take it or leave it now
Take it or (9) it	(26) it or leave
Because I'm really leaving	Because I'm (27) leaving
I've made up my mind this time	I've purchased my ticket to New York
There's no coming back for you	(28) thing in the morning
Oh, there's no coming (10) for you	Kissing you good morning
(11) her no purse was more important	And whispering goodbye, bye
Than the knowledge in her head	Such I love you, try to hold on to
She grabbed her sh*t (12) like a baby	The feeling that makes me fall for you
And couldn't believe the words I said	The (29) that makes me fall
The (13) thing I ever see her read	makes me fall for you
Are those damn gossip magazines	<em>-Can I buy you a drink?-</em>
They (14) her head with all (15)	
nonsense,	
Says she can fit in with the scene	
I've (16) my things a	
(17) times	
And I've faked believe all her lies, for the last time
