

## Fill in the gaps

## It starts and ends with you by Suede

Like a cause without a martyr	it starts and (9) with you
Like an effigy of balsa	It starts and (10) (11) you
(1) a hairline (2) in a radiator	(12) out but it (13) spins faster
Leaking life	Crawl out but my (14) are water
I shout out but it just spins faster	Cling on by my nails to (15) (16)
I'd crawl out but my knees are water	disaster
I cling on by my nails to this sweet disaster	And then I (17) to the floor (18) my
And I fall to the floor (3) my strings are cut	(19) are cut
Pinch myself but I don't wake up	(20) the wheel but I don't wake up
Spit in the wind (4) too much is not enough	Pinch myself cause too much is not enough
It starts and ends with you	It starts and ends with you
It starts and (5) with you	It (21) and ends with you
And I've worn so many faces	It starts and ends with you
Shot my love at fifteen paces	It starts and ends (22) you
My (6) is all the thoughts	(23) out but it just spins faster
I can't sweep away	(24) out but my knees are water
I (7) out but it just spins faster	Shout out but it just spins faster
I'd crawl out but my knees are water	I'd (25) out but my (26) are water
I cling on by my nails to this sweet disaster	Shout out but it just spins faster
And then I fall to the floor like my (8) are	I'd (27) out but my knees are water
cut	Shout out but it just spins faster
Pinch myself but I don't wake up	I'd crawl out but my knees are water
Spit in the wind cause too much is not enough
